2. Don't use it in bathroom or other humid places.
3. Unplug the power adapter from the socket before you clean and maintain it.
4. Unplug the power adapter when you are not using it.
5. Don't walk around when you are using this item or wearing the wraps.

FAQs

Q1: How does this product massage?

A1: There are 2+2 airbags inside. It will be inflated and deflated to simulate kneading and stroking of tissues like human hands. It can relax our muscles, increase circulation and relieve pain.

Q2: How many massage modes, and what's the difference?

A2: There are 2 massage modes,

Mode 1: Sequence Mode

In this mode, sleeves will be inflated and deflated alternately from lower to upper.

Mode 1: Sequence Mode

Mode 2: Whole Mode,

In this mode, sleeves will be inflated and deflated simultaneously and wholly.

MODE 2: WHOLE MODE

Q3: What should I do if I feel the massage strength is too light or too tight?

A3: There are 3 levels of massage strength selectable via the controller, please select the intensity which is fit for you. You can also adjust the strength via changing the tightness of Velcro on the wraps.

Q4: What should I do if I have bigger calves?

A4: For bigger calves, please use the extensions included to expand the size of the wraps.

Q5: What should I do if I have bigger feet?

A5: For bigger feet, please cut the stitches at the top of toes parts.

Q6: Why does not it work when I press the power button?

A6: Please ensure both 2 air hoses are inserted into the controller, otherwise, it will not work.

Q7: How long should we use it?

A7: We suggest you use 1-2 times everyday, and 20 minutes per time. You can also use it for long time if you feel too tired or want to continue to enjoy.

Q8: Why does the controller get hot?

A8: As we suggested, you can use it 20 minutes per time normally. If it keeps working too long, the controller will get hot, it's a normal phenomenon.

Q9: Why does the controller make a sound?

A9: The sound comes from the working air pump in the controller, providing air continuously to the airbags in the wraps, it's normal phenomenon.

Usage

Cautions: Please read safety precautions carefully before using the product. In order to get better massage, please wear the sleeves properly.

1. Make sure the direction by tag and wear the wraps on your legs properly.

2. Check and adjust the position and tightness as below, don't wrap too tight. Use the extensions for bigger calves.

3. Plug the power adapter into the controller and socket on each side.

4. Insert two air hose plugs into the controller correctly and completely.

5. Take up the controller and press the on-off button to start the machine.

- It will begin with mode 1 and strength 1 (The lowest) by default.
- It will shut off after 20 minutes (You can restart it manually).

6. Press the mode "M1" or "M2" button to switch and enjoy different massage modes, the different between these 2 modes can be seen on Page 2 (FAQS: Q2/A2)

7. Press "Air Pressure" button to select intensity.

1) Three pressure levels for choice.

We suggest you use the lowest level at the beginning.

2) You can change the tightness of the warps to make the strength suitable as you like.

8. Press on-off button to turn it off.

Warnings: We suggest 20mins each time as the best. After 20-minute work, it will shut down automatically but you can restart it.

Notes after use

1. Unplug the power adapter from the socket.

2. Pull out the plugs of the power adapter and air hoses from the bottom of the controller.

3. Take off the wraps, fold it into the storage bag or box.

Cleaning

Make sure to cut off the power when you clean the machine.

1. If dirty, please wipe the controller, wraps and hoses with a soft cloth moistened by soap solution.
